Anas Affaf

Andhra Pradesh, India

✉ anasaffaf@gmail.com

in linkedin.com/in/anas-affaf-89413b111

Summary

I am passinote about Programming, Analytics, Machine Learning, DeepLearning and Datascience. I have worked on CNN, NLP, Time Series. I keep my self updated to the latest industry trends, always open to learning and exploring new domains.

Experience

Data Analyst
The Sparks Foundation
Aug 2020 - Present (2 months +)

Education

G.Pullaiah College of Engineering & Technology, Kurnool
Bachelor of Engineering - BE, Computer Science
2018 - 2022

Licenses & Certifications

Convolutional Neural Networks in TensorFlow - Coursera
WVH99ZQPFLYD

Natural Language Processing in TensorFlow - Coursera
HEEPC96FQH6C

Sequences, Time Series and Prediction - Coursera
KLBYWH4AGJQK

TensorFlow in Practice Specialization - Coursera
DC577S8FWFU8

What is Data Science? - Coursera
YAS6T4Z6H64S

Python(Basic) - HackerRank
32905C745D8F

Python(Intermediate) - HackerRank

68ECFB04E268

Problem Solving(Basic) - HackerRank
0B21BA91085D

Skills

python • Java • Engineering • Turbo C • Tensorflow • Machine Learning • Data Science • Convolutional Neural Networks (CNN) • Neural Networks • Artificial Intelligence (AI)
